BASIC STEPS in making HAIRPIN LACE

Step 1: Make a loop at end of yarn (Fig. 1).

Step 2: Insert hook in loop and wind yarn around right prong of staple (Fig. 1).

Step 3: Yarn over hook and draw through loop, keeping loop at center (Fig. 1).

Step 4: Raise hook to an upright position with hook end down, pass hook through staple and turn staple to the left (Fig. 2). If staple is too short, drop loop from hook, turn staple, insert hook in dropped loop.

Step 5: Yarn over hook and draw through loop on hook (Fig. 3).

Easy Way To Count Loops: If Hairpin Lace Strip requires a large number of loops, always mark every 25th loop on each side of strip until the necessary number of loops has been made on each side.

Step 6: Insert hook in front loop of left prong (Fig. 4).

Step 7: Yarn over hook and draw loop through (2 loops on hook), yarn over and draw through 2 loops.

Step 8: Repeat Steps 4 through 7 until staple is filled.

Step 9: Remove all but the last 4 loops from staple and continue as before for length desired.
